**"COUNTER-REVOLUTIONARY CONSPIRACY IN AGRICULTURE"
(UKRAINIAN BRANCH, 1933)**

Summary

The details of the sensational case in the thirties of the last century are investigated by the method of historical and scientific analysis and with including recently opened materials from Branch State Archive of Ukraine's Security Service. First of all it is about the destruction "nation's best representatives" – scientific agrarian elite on a charge of counterrevolutionary conspiracy in agriculture. The main task of the author is to report to the knowledge of the public the details of the fabricated case of "Political center", in particular, its Ukrainian branch. Main political processes against the intelligentsia, which took place in the country in the late 20's - early 30-ies the last century are observed. The conditions of formation, direct submission, and key action participants are characterized. These materials were recently classified as "Top Secret". They constitute the objective basis of sources for researchers of national history, especially agricultural science and agricultural experimental case, as well as explore issues the Holodomor, etc.

Keywords: *Political Center, a counter-revolutionary conspiracy, Practical Centre, the agricultural sector, agriculture, The special state political management, repressions, science.*
